Therefore doubtful if the request to allow the Board to keep its funds in the Co-operative society could be permitted. Further, the resolution proposes to allow the Board to keep the entire amount (not merely the surplus funds) in the said society. This appears to be against the provisions of the said rule 37 and orders of the above kind may be brought to the notice of the President of the Board.

Bms. Sett. Sanction can be accorded as a special case.

4 The resolution of the Board to keep the Board Fund in the Bhadravathi Iron and Steel Works Co-operative Society may perhaps be sanctioned, as it would greatly facilitate the banking arrangements instead of its being kept at Shimoga in the Sett. Savings Bank.
